If you're looking for a larger venue, Sid's big brother Side Splitters can seat up to 250 people in its showroom. From fund-raisers to holiday parties, we're ready! Are you?

For fund-raisers, our programs are nothing to laugh at. In the past we've held events for the likes of The Super Bowl NFLPA players party, The Hall of Fame pre game party, Johnnie Walker World Cup sponsor party and more. When it comes to fund-raising we are your most entertaining partner.

## Here's a few examples of how we can help:

**1. Volunteer thank you party:** All volunteers need some type of thank you. We help provide that to you (at no cost) for them in the form of tickets to a show. This could be on a individual basis or as a group. When we provide you the tickets, then consider that as a donation to your event.

**2. Sponsors night out:** The hardest thing in any fund-raising program is the retention and recognition of your sponsors. Obviously when you get them involved it's nice to thank them for the time, financial support, sponsorship, etc. What we do helps you thank them and graft long-term partnerships. We will provide you the tickets, consider this as a donation and sponsorship of your event. We will be a valuable partner for your event. If it's 2 tickets or a dedicated night for a pre golf tournament pairings party, we are ready to get involved.

**3. For your auctions:** We donate Party Passes (Admit pass for up to 10 people, \$160 value) and individual tickets to our Special Events.

**4. Side Splitters New 15th Anniversary Laugh Pack** (available mid April.): This unique program is our version of Girl Scout Cookies. It can be used as a generic fund-raiser, or it can be used for a specific night. It contains (5) admit two tickets plus additional (5) restaurant food coupons with combined value of over \$200. It retails for \$30. You sell it for \$30 and keep \$20 for your organization.

**5. Comedians on demand:** If your event or luncheon or your golf tournament needs a little spice, we'll provide you our headlining comedian in exchange for our donation and sponsorship.

**6. Fund-raising options at Side Splitters:** Let's say you want to reserve the entire facility for a new fund-raiser or in support of an existing one. Our business is built off of providing you the most affordable night possible. We have no napkin fees, no cart fees and no hidden cards. We just ask in exchange for making the tickets for you, staffing the entire facility and providing all of our pre and post show elements is an end of the night food and beverage guarantee. Example: If you put 200 people in Side Splitters, the food and beverage guarantees breaks down to \$9.38 per person. Or, \$1,875 in total revenue for Side Splitters. This lets you sell up to 300 tickets at what ever price you'd like. We usually have a 70% show rate on fund-raising tickets sold.

There are endless options on how we can help each other. We are ready to get involved, are you?
